NOW LET'S START BUILDING!

¡AHORA VAMOS EMPEZAR A CONSTRUIR!

BUILDING MARBLE MANIA

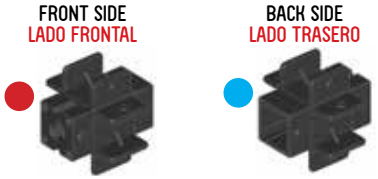
CONSTRUYE EL MARBLE MANIA

1. Make sure all base plates are facing the same direction. Base plates direction is labeled on the reverse side.
1. Asegurese que todas las platáformas de la base hayan sido colocadas hacia la misma dirección.

2. Use below diagram and color paint marks to place connectors in proper location on base plates, ensuring proper operation.
2. Usa el siguiente diagrama y marcadores de color para colocar los conectores en el lugar correcto en las placas base, aegurando así su operación correcta.

3. Make sure unit is built on a flat surface.
3. Asegúrese de que la estructura es construida en una superficie plana.

4. 6 way connectors (part 13) have multiple connecting ends. Make sure part is placed onto Techno Gears Marble Mania correctly as illustrated in each specific image step.
4. Los conectores de 6 entradas (parte 13) tienen múltiples puntos de conexión. Asegúrese de que la parte haya sido colocada correctamente sobre Techno Gears Marble Mania tal y como se muestra en cada una de las ilustraciones.



Note: When specific placement of the 6 way connector is required, blue and red dots will be shown in the instructions, indicating the required direction of the front and/or back of the 6 way connector.
Nota: Cuando se requiere la colocación específica del conector de 6 vías, aparecerán puntos azules y rojos en las instrucciones indicando la dirección requerida de la parte frontal y/o trasera del conector de 6 vías.

Note: A compass icon on the page indicates the current direction of the base. The red arrow always indicates the top edge of the base (as shown above).
Nota: El icono de una brújula en la página indica la dirección actual de la base. La flecha roja siempre indica la orilla superior de la base (como se indica arriba).

Note: A compass icon with 2 circular black arrows indicates that the build needs to be turned around 180 degrees.
Nota: El icono de una brújula con dos flechas circulares negras indica que la construcción debe ser girada 180 grados.

Note: An exclamation mark on the page indicates to take note. The note could be a direction change, specific areas where parts need to be connected or a clip position on a track. For example, indicates the third slot position is required for a part placement.

Nota: Un signo de exclamaciòn en la pàgina indica que se debe tomar nota. La nota puede ser un cambio de direcciòn, àreas especìficas donde se necesita conectar las partes, la posiciòn de un clip en un riel. Por ejemplo, el indica que se requiere la posición del tercer agujero para la colocación de una parte.
